ULTIMATE CLEANING TECHNOLOGY

There's a reason why Dolphin is the #1 selling robotic pool cleaner. Unlike competitor cleaners that use random patterns to clean the pool floor, Dolphins use CleverClean™ Smart Navigation with PowerStream to ensure complete pool coverage.

SUSTAINABLY DESIGNED. ENERGY EFFICIENT.

The Dolphin Active Line consumes an average of 5 cents of energy per hour and is 8 times more energy efficient than suction and pressure cleaners.

BEST-IN-CLASS WARRANTY

The Dolphin Active 60 comes with a 3 year limited warranty covering parts and labor. The best protection of any robotic pool cleaner on the market.

MyDolphin™ Plus app

Connect your Dolphin to the cloud using your home Wi-Fi®. With the New MyDolphin™ Plus app you can remote control your Dolphin, set up cleaning programs, check operation status, get proactive care tips, and more.

**Available on Active 30, Active 40, and Active 60 only*
