Handcrafted Durability

At Tranquility Spas, we are committed to superior craftsmanship and luxury at an affordable price. We use the latest innovations to maximize your hot tub experience and minimize your maintenance needs. Choose from 8 models that are made from strong and durable Aristech Acrylics®. It is extremely hard wearing and is resistant to the damaging effects of UV rays.

Our spas are hassle-free, easy to operate and definitely luxurious. All cabinets are created from high-impact weatherable polymer and will keep their look, even outdoors! They are easily cleaned with a cloth and garden hose and have virtually no fading or color change. No machine can match the quality of tools and craftsmanship of our models!

MODEL HIGHLIGHTS

Factory Installed Ozonator

Helps Reduce Chemical Use

The ozonator acts as an oxidizer which destroys organics that bacteria feed on in the water. The ozonator can help reduce the amount of chemical you use.

Tapered Thermal Cover

5" x 3" Cover Seals Snuggly To Your Spa

The high efficiency EPS foam interior is covered with 100% polyester that is 3X stronger than traditionally used vinyl and reduces the cover weight by 25% for easier opening and closing.

Galvanized Steel Frame

Industrial Strength

With a fitted industrial strength galvanized steel frame, your new Tranquility spa ensures a lifetime of durability and structural integrity.

Green Guard Rockwool Insulation

Savings For You

Captures and recirculates the spa's own heat energy throughout the interior cabinet, reducing the demand on the heater – saving you money.

LED Illuminated Waterfall

Enjoy The Array of Colors

Watch the array of colors transition throughout the water and experience multi-colored lights.
